REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach in combination as claimed a device for triggering a least two ignition circuits, including where a first pair of positive output stage and a negative output stage is provided on a common substrate. A second pair of positive output stage and a negative output stage is provided on the common substrate. For each ignition circuit, a positive output stage and a negative output stage from different pairs are provided.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
